

QUEENS TOGETHER EMPOWERED

United in Sisterhood. Empowered in Purpose.

OUR MISSION

The mission of Queens Together Empowered is to unite women in sisterhood, promote personal growth and empowerment, encourage healthy and meaningful relationships, and create opportunities for travel, wellness, education, and community involvement.

We strive to foster an environment built on trust, respect, confidentiality, encouragement, and accountability, where women can share experiences, discover new opportunities, support one another through life's challenges, and celebrate one another's success.

Our goal is to empower women to recognize their worth, embrace their purpose, strengthen their confidence, and use their gifts to positively impact their families and communities.

WHO WE ARE

Queens Together Empowered is a sisterhood for women ages 25 and older who seek meaningful connections, personal growth, shared experiences, and opportunities to make a positive difference in their communities. Through fellowship, travel, wellness conversations, personal development, and community service, we create a space where every queen belongs.

OUR VISION

To build a strong, lasting sisterhood that grows into an organization capable of reaching and uplifting women throughout our communities through leadership, service, encouragement, and opportunities for growth.

One Sisterhood. Many Stories. A Shared Purpose.
